RURAL FIRE PREVENTION

Fires can cause serious harm to people and properties. Whether deliberately lit or caused by reckless or negligent actions, fire can kill. Know your responsibilities, take positive action and report suspicious behaviour to police.

To help keep your property safe from fire, consider implementing these crime prevention tips:

- Erect fences and gates to identify your property boundaries – indicating private property.
- Immediately repair or replace any damaged sections of fencing or gates.
- Ensure security and warning notices are visible to people entering your property.
- Keep fertilisers and other chemicals in a secure location.
- Store petrol, diesel or other flammable fuels in secure areas and locked away when not in use.
- Inspect your property regularly to ensure rubbish, including glass bottles, are disposed of immediately.
- Remove hay from fields as soon as possible after harvesting and store it away from fuels, flammable goods and homes.

If you see anything suspicious immediately call police on 131 444. Keep a note pad in the car and record helpful details including:

- location of the suspicious activity i.e. RPA number and property name, road name, or identifying landmarks
- vehicle details i.e. registration number, make, model, colour and any distinguishing features (e.g. dents, stickers)
- characteristics of anyone acting suspicious i.e. age, gender, weight, height, hair colour and clothing.

For further information contact your local police station or visit www.police.sa.gov.au

If you see anything suspicious immediately call the Police Assistance line on 131 444. If you have any information about who is deliberately lighting fires or engaging in reckless or negligent fire lighting behaviour call Crime Stoppers on 1800 333 000.
