School is underway again and not only is it a brand new year but also the start of another decade. I would like to welcome back all the students and their families who have already been a part of our school and give special welcome to our new enrolments and their families.

New to our school this year are:-

Erin Baldock
Matt Christie
Timothy Curran
Marie-Louisa del Valle Reception
Brianna Dunkley
Lauren Stowe
Lorrae Southby
Karina Southby

Dean Spraakman Year 1
Alison Phelps Year 2
Ryan Spraakman Year 3
Brendan Mueller Year 4
Mandeep Narayan Year 5
Sarah Milne Year 6
Danielle Mousley Year 7

I know Staff, students and community will quickly help these people to feel very much a part of our school.

It is customary for us as a school community to hold a social 'get to know everyone' activity early in the new year but details are not yet finalised. These details will be available soon. We will however, hold a Parent Acquaintance Night for all classes on the evening of **Tuesday, 20th February**. This is an initial opportunity for all parents to 'officially' meet the teachers, hear what is planned in each class and to ask general questions. Please keep this date free.

I would also like to welcome Ms. Margaret Hannagan to our staff. Ms. Hannagan will be teaching the Year 2 class with Mrs. Hancock and is also our Librarian. As a staff we look forward to this year and the many challenging, enjoyable and different things which are planned and those which just happen. I feel sure you and your children will feel the same.

Jeff.

Parents are asked to please retain these receipts, at least for a while, to assist if there is any confusion concerning payments.
