TIP OF THE WEEK

Q. Can I copy this week's orders to next week?

A. You can save time by copying food orders from the current week to the next week within the calendar view. This is a handy way to save time and quickly re-order your child's favourite lunch orders.

1. Open Qkr! and tap on your canteen menu.
2. Tap 'Repeat Order' for the next week, and tap 'Yes' to confirm you want to copy the orders for the current week to the next week.
3. Once you have copied the current week's orders to your cart for the next week, you can amend the next week's orders by tapping on a date and adding other items, or by tapping 'Checkout' and selecting items to amend or delete. This allows you the flexibility to amend your copied orders for a specific day or for a specific child.
