We have classes for children from the age of 3 and up. Your child will learn the basics required to play a game of tennis, some may even join a Saturday morning competition team. We welcome all ages and standards and look forward to getting your child into some healthy activity.

Parents ! Give Cardio Tennis a goThis is awesome I have a great time coaching Cardio Tennis it's very social, great music and a great work out come along for a half hour trial session and tell your friends it absolutely beats going to the gym more fun to play and workout rather than just workout!

.....We are just off Marion Road opposite Marion RSL ..Along Norfolk Road
