# DONATIONS

- For Homeless Women -

# THANK YOU!

---

## *What am I doing?*

I am 12 years old and doing my passion project at school and it is on helping the homeless. I am researching how to be a volunteer and collecting donations and bringing them to the Hutt St homeless shelter, and giving them to the homeless women. :)

## *What to give*

I'd love if you donated some feminine products like pads, tampons, deodorant, lipbalm or womens handbags.

## *Text me!*

Please text your address to this number to tell me if you have any donations: 0423 774 795. I will come to pick up your donation Sunday 10 Nov if you leave it at your front door.

Thank you so much - Milla
