Drive to survive this winter!

Southern District Police are committed to saving lives on our roads and we ask for your help. As the weather conditions change and our roads become wet and slippery, please remember the below tips:

- Check your tyres for sufficient tread, ensure you have the correct tyre pressure, inspect your windscreen wipers and make sure your vehicle is serviced regularly
- Allow extra time for travel, slow down and drive to the conditions
- Follow at a distance that is double what you would allow on dry surfaces
- Wear your seatbelt
- Don't drive distracted
